SWANAGE CARNIVAL ADULT FOOT TREASURE HUNT 2022

Sponsored by The Anchor Inn

Since Carnival, it's been a while
But finally there's cause to smile.

It's never dull, it's not a bore;
This moment you've been waiting for...

Open your eyes, sharpen your wit
The **Adult Treasure Hunt** is it!

ACCESSIBILITY: One clue involves going down a couple of steps, and the route also requires descending one gentle flight. It's generally suitable for pushchairs, but this is Swanage, so there are some short, sharp hills!

ORIENTATION: Standing at the Carnival caravan the sea is East (E), the Mowlem to the South (S).

SYMBOLS: The eye symbol 👁 at the end of a clue indicates that the next clue, *or part of it*, can be seen from, or is in the vicinity of, the current clue. You will need to go to it to solve it!

The walking man symbol 🦿 followed by a compass point: N, E, S or W, at the end of a clue indicates the direction in which you need to walk to find the next clue. All distances in metres.

**PLEASE RESPECT THE PRIVACY OF HOME OWNERS.
NO TRESPASSING IS REQUIRED TO SOLVE ANY OF THE CLUES.**
